

27 January 2017

Dear Parent/Carer

**Core Subject Information Evening – Tuesday, 7 February 2017, 6 – 7pm**

The aim of the evening will be to explore ways in which we can support your child to ensure they achieve the best possible grades in their fast approaching examinations. Over the coming days your child will be issued with the results from their recent mock examinations and this will be the ideal opportunity to discuss these with you.

The event will focus on giving guidance and will provide advice on how to guide and encourage your child and also to share the best ways to provide support in these final few months.

There will be presentations from the Heads of Maths, English and Science which will outline what students can expect in the remaining period of study. After that, you will have the chance to discuss any concerns you may have with your child's class teacher, the Heads of Maths, English and Science, members of the Senior Leadership Team and the Year 11 Learning Manager.

We believe that a vital element in ensuring the success of our students is the support of parents and it is for this reason that we hope you can join us on 7 February from 6:00 to 7:00pm. We will be providing pie and peas at this time.

Please complete the reply slip below to confirm your attendance by Friday, 3 February 2017.

Yours faithfully

Mr R Brooke  
Principal
